

CEILING MOUNT

FLAG MOUNT

The Ecoglo BR2 Series of mounted Exit signs are designed for architectural perfection. The chic aluminium cover plate offers a sleek architectural appearance that will compliment any interior space.

Suitable for architectural designs where first class aesthetics and performance are required.

COMPOSITION

- Ecoglo BR2 Architectural brackets include;
- 4mm thick clear acrylic faceplate with bevelled edge
 - 4mm thick green acrylic backing plate
 - Anodised aluminium mounting plates

INSTALLATION

All bracket kits are supplied with two pieces of 4mm acrylic and all required fixers.

Signs can be mounted flat on a wall using standoff pegs or off the ceiling and wall using a mounting and cover plate.

Brackets can take one sign or two signs back to back.

SUPPLY

Architectural brackets currently available to suit 16m viewing distance.

WALL MOUNT. Comes with 20mm spacers.
